FLORIDA STATE FAIR
VISITOR’S GUIDE

YOUR GUIDE TO THE TWELVE DAYS OF fun

FEB 6THRU 17, 2020
Welcome to the 116th Annual Florida State Fair!

Each year, approximately 5 million people attend one of the numerous fairs around our state. As Florida’s Commissioner of Agriculture, I am enthusiastic about the positive impact fairs and livestock shows have on the agricultural industry. Events like the Florida State Fair are an excellent platform for showcasing the finest “Fresh From Florida” products and services while viewing the industry’s latest technological advancements and innovations.

As Florida’s agriculture industry looks toward the future, momentum and growth will depend on engaging the enthusiasm of our youth. Fairs and livestock shows are a great way to cultivate the next generation of industry leaders by providing opportunities to participate in and celebrate Florida’s rich agricultural heritage.

While you are visiting the Florida State Fair, I hope you will take the opportunity to enjoy the outstanding food, entertainment, contests and youth exhibits. Most importantly, I hope your day at the fair will allow you to experience Florida’s agricultural roots and its impact on our great state. Enjoy!

Sincerely,

NICOLE “NIKKI” FRIED
COMMISSIONER OF AGRICULTURE

It’s bigger than any of us.
Enter the gates of the Florida State Fair, and you’re entering more than just a fair. It’s young eyes opened wide with excitement after a first ferris wheel ride. It’s a year of tenacity and dedication of 4-H and FFA students culminating in the livestock arena. It’s generations of secret family recipes for blue-ribbon blueberry pie. It’s over a century of history of Florida’s finest in competition, education, agriculture and fun. It’s community. It’s togetherness. It’s family. It’s tradition.

Whether it’s your first fair or your 50th, we want to welcome you to memories of a lifetime. Eat, explore, laugh, celebrate and spark a tradition for years to come.

SHARE THE fun.

While the main draw of many fairs today are the midways full of rides, food, live entertainment and performances, most fairs across the country still feature an educational component. Groups like 4-H and the Future Farmers of America empower and allow young people to participate in agriculture, and offer both educational demonstrations and competitions at a number of yearly events. Since the first fair in America was held, agricultural fairs have grown and adapted to serve many purposes. Focused on providing fun, education, and engaging entertainment for all who attend, county and state fairs symbolize to many an exciting way to spark a tradition.
