

Entertainment Hall

The Entertainment Hall features 36-foot high ceilings, two downstairs dressing rooms with upstairs offices or hospitality rooms as well as easy load-in and load-out accessibility. The venue can be set with pipe and drape for a consumer or trade show but also with a stage and portable bleachers for spectator events.

This building can be combined with the adjacent Expo Hall to create a flexible footprint totaling 138,000 square feet. Alone or combined with the Expo Hall, this venue is sure to meet your event needs.
