

# Expo Hall

With 87,000+ square feet of exhibit space, the Expo Hall features 45-foot high ceilings, drive-through doors for easy load-in and load-out accessibility, renovated restrooms and the recent addition of family restrooms. This building also offers flexibility in meeting space with eight meeting rooms to accommodate your breakout sessions as well as two upgraded show offices. The meeting rooms can be divided by lockable partition walls with separate entrances or left open based upon the event.

Expo Hall can be combined with the adjacent Entertainment Hall to create a flexible footprint totaling 138,000 square feet. Alone or combined with the Entertainment Hall, this venue is the perfect location for large events. Consider hosting your next fundraiser, consumer or trade show, conference or sporting event in the Expo Hall.
