## **REMOVAL AND REPLACEMENT OF THE CEDAR SHAKE SHINGLE ROOF ON THE CARLTON HOUSE AND CHURCH BUILDING AT THE CRACKER COUNTRY LIVING HISTORY MUSEUM**

### **I. GENERAL DESCRIPTION OF THE PROJECT AND SERVICES REQUESTED.**

Cracker Country is a rural Florida living history museum located on four acres of the Florida State Fairgrounds. It was established in 1978 by Mildred and Doyle Carlton, Jr. The museum has thirteen historic structures, build between 1870 and 1912 that were relocated from around the state, restored and furnished to represent home life, commerce and transportation as it was in many rural Florida communities just before the turn of the 20<sup>th</sup> century. The Florida State Fair Authority is seeking bids from qualified contractors to remove and replace the aged cedar shake roofs on three historic structures: the Smith House, Post Office Cabin and School House, and one replica structure that houses a cane syrup kettle.

The Smith House is a two-room residence that was built in 1894 in Pasco County, Florida. The School House, originally located in the Castalia community of Hardee (then Desoto) County, was built in 1912 and is a classic example of a one-room school house. The Post Office Cabin was built in the early 20<sup>th</sup> century as part of a logging camp in the Green Swamp. The replica structure houses a sugar cane syrup kettle, fire box and chimney. All four buildings have cedar shake roofs that have reached the end of their effective lifespan.

The purpose of this Request for Proposals (“RFP”) is to solicit responses from qualified contractors to remove and replace the cedar shake shingle roofs of the four buildings described in the above paragraph. The Contractor selected to perform the work must exhibit a proven ability to provide the services and deliverables as specified herein with the highest level of quality and within the specified time. Contractor must be able to provide materials and methods that are appropriate in maintaining the historic character of the structures.

**E. EVALUATION PROCESS.** Bids will be reviewed by a screening committee comprised of Authority employees. The Authority staff may or may not initiate discussions with proposers for clarification purposes. Clarification is not an opportunity to change the Bid. Proposers shall not initiate discussions with any Authority employee or official.

**F. CRITERIA FOR EVALUATION AND AWARD.** The Authority evaluates four categories of information: responsiveness, responsibility, the technical Bid and price. All Bids must meet the following responsiveness and responsibility criteria.

- (1) Responsiveness. The Authority will determine whether the Bid complies with the instructions for submitting Bids, including completeness of Bid, which encompasses the inclusion of all required attachments and submissions. The Authority must reject any Bids that are submitted late. Failure to meet other requirements may result in rejection.
- (2) Responsibility. The Authority will determine whether the proposer is one with whom it can or should do business. Factors that the Authority may evaluate to determine "responsibility" include, but are not limited to: excessively high or low priced Bids, past performance, references (including those found outside the Bid), compliance with applicable laws, proposer's record of performance and integrity- e.g. has the proposer been delinquent or unfaithful to any contract with the Authority, whether the proposer is qualified legally to contract with the Authority, financial stability and the perceived ability to perform completely as specified. A proposer must at all times have financial resources sufficient, in the opinion of the Authority, to ensure performance of the contract and must provide proof upon request. Authority staff may also use Dun & Bradstreet and/or any generally available industry information. The Authority reserves the right to inspect and review proposer's facilities, equipment and personnel and those of any identified subcontractors. The Authority will

determine whether any failure to supply information, or the quality of the information, will result in rejection.

- (3) Technical Bid. The Authority will determine how well Bids meet its requirements in terms of the response to the specifications and how well the offer addresses the needs of the Project. The Authority will rank offers using a point ranking system (unless otherwise specified) as an aid in conducting the evaluation.
- (4) Price. Each Bid’s pricing will be scored based on the formula cited below to determine the evaluation point value for Price.
- (5) If less than (3) responsive Bids are received, at the Authority’s sole discretion, the Bids may be evaluated using simple comparative analysis instead of any announced method of evaluation, subject to meeting administrative and responsibility requirements.

For this RFP, the criteria that will be evaluated and their relative weights are:

Evaluation Criteria	Points
Demonstrated Experience of the Firm and Project Personnel	25
Project Plan/Approach	25
Ability to Respond/Scheduling	20
References	10
Price	20

$$\frac{\text{Lowest Bid Cost}}{\text{Bid Cost being evaluated}} \times \text{Price Points Possible} = \text{Pricing Score}$$

**B. RESERVATIONS AND OPTIONS**

To the fullest extent permitted by law, the Authority reserves the right to award any combination of services or contracts, reject any or all Bids or responses, and/or waive informalities, minor irregularities, inconsequential deviations, and minor variations from specifications in Bids received. More than one RFP response from an individual, firm, partnership, corporation, or association under the same or different names will not be considered. Reasonable grounds for believing that a party is interested in more than one response for the same work will cause the rejection of all responses in which such firm is believed to be interested.

Any or all RFP responses will be rejected if there is reason to believe that collusion exists among those responding and no participants in such collusion will be considered in any future invitations for the same work. Falsifications of any entry made in the firm's response or in any other written or oral communication with the Authority will be deemed a material irregularity and will be grounds for rejection.

RFP responses received by the Authority after the RFP opening time and date will be rejected as untimely and will not be opened. A late response notice will be sent to the firm upon the posting of any award notice. Unclaimed late responses will be destroyed after 45 days.

**C. CONFLICT OF INTEREST DISCLOSURE**

  - (a) favors, such as meals, entertainment and transportation (other than that contemplated by this RFP, if any, or any other contract with the Authority or State) which might tend to obligate an Authority or State employee to Respondent, and (b) gift, gratuity, money, goods, equipment, services, lodging, discounts not available to the general public, offers or promises of employment, loans or the cancellation thereof, preferential treatment, or business opportunity. Such term shall not include work or services rendered pursuant to any other valid Authority or State contract.

**D. MISCELLANEOUS PROVISIONS**

- (1) **Change in Contractor’s Information:** If after Contractor has submitted a Bid, substantive information provided in that Bid changes, the Contractor must notify the Authority in writing and provide updated information. The Authority reserves the right to evaluate the modified response, eliminate a Contractor from further consideration, or take other action as the Authority may deem appropriate.
- (2) **Restricted Communications – Cone of Silence:** The Authority has established a cone of silence applicable to this RFP. The cone of silence will be imposed beginning with the advertisement of this RFP and will end upon the earlier of the selection of a Contractor by the Authority or the termination of the procurement process by the Authority. The cone of silence prohibits any communications regarding this RFP or respecting any issue related to this RFP between (i) a potential Contractor, (which includes vendors, service providers, bidders, proposers, lobbyists, consultants and advisors) and their representative(s), on the one hand, and Authority staff, on the other hand, except for communications made pursuant to this RFP, provided the communication is strictly limited to procedural matters or is otherwise expressly permitted by this RFP (such as, for example, providing a response to a direct inquiry or request for clarification from the Authority), (ii) a potential Contractor and their representative(s), on the one hand, and an Authority member / board member on the other hand, and/or (iii) a potential Contractor and their representative(s), on the one hand, and a member of the Authority’s Evaluation Committee, on the other hand. communications with

the Authority's legal counsel, (b) oral communications at any pre-qualification conference or at any presentation or interview granted by the Authority, (c) oral communications during any Evaluation Committee meeting, and/or (d) communications with Authority staff or Evaluation Committee members by a Contractor during any negotiations between the Authority and that Contractor. Any violation of the cone of silence will render voidable the Contractor's response and/or any awarded agreement or other written commitment.

- (3) **Selection Non-Binding:** Neither this RFP, nor the receipt or acceptance of any response submitted by any Contractor, nor the pre-qualification of a Contractor for a presentation or interview before the Evaluation Committee nor the short-listing or ranking of any Contractor by the Evaluation Committee, nor any oral or written statement related to this RFP made by the Authority or any of its representatives constitutes a binding commitment on the part of the Authority to enter into any contract, development agreement, memorandum of understanding, or other contractual commitment with any Contractor or any other party. Each Contractor acknowledges and agrees that, unless and until a written definitive agreement between it and the Authority has been executed and delivered, the Authority will not be under any legal obligation of any kind whatsoever by virtue of this document or any other written or oral expression. The Authority reserves the right at all times to reject any and all responses when such rejection is in the best interests of the Authority, and/or to reject the response of a Contractor who the Authority determines is unable to adequately perform a contract with the Authority, all in the sole and absolute discretion of the Authority. The Authority also reserves the right to waive any minor irregularity or technicality in or with respect to any response received – but the Authority has no duty to do so.
- (4) **Sunshine Law and Public Records Act; Waiver of Trade Secrets.** The Authority is subject to the requirements of the Government in the Sunshine Law, Art. I, § 24(b), Fla. Const.; §286.011, Fla. Stat., as well as the requirements of the Florida Public Records Act, Chapter 119, Florida Statutes. Contractors are hereby notified that information submitted as part of, or in support of, any response hereto will be available for public inspection in compliance with Chapter 119, Florida Statutes. The Contractor shall not submit any information in response to this RFP which the Contractor considers to be trade secret, proprietary or confidential. The submission of any information by Contractor to the Authority in connection with this RFP shall be deemed conclusively to be a waiver by said Contractor of any trade secret or other legal protection which would otherwise be available to Contractor. Any claim to confidentiality or trade secret protection is deemed expressly waived by the Contractor upon submission of any information to the Authority.
- (5) **Public Entity Crimes; Discrimination.** A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a response to this RFP or enter into any contract to provide any goods or services to a public entity, may not submit a response to this RFP or enter into any contract for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity for a period of 36 months from the date of being placed on the convicted vendor list. A firm that has been placed on the discriminatory vendor list may not submit a response to an RFP on a contract to provide goods or services to a public entity, may not submit a response to an RFP on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may

not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact any business with any public entity.

A firm that has been placed on the discriminatory vendor list may not submit a response to an RFP on a contract to provide goods or services to a public entity, may not submit a response to an RFP on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a contractor, supplier, subcontractor, or consultant under contract with any public entity, and may not transact any business with any public entity.

- (6) **Employment of Unauthorized Aliens.** The following standard provision shall apply to any contract that may ultimately be awarded as a result of this RFP: The employment of unauthorized aliens by any firm is considered a violation of section 274A(e) of the Immigration and Nationality Act [8 U.S.C. §1324]. If the firm knowingly employs unauthorized aliens, such violation would allow the Authority to unilaterally cancel any contract.
  
- (7) **Non-Liability; Indemnity.** The entity contracted pursuant to this RFP shall hold harmless and indemnify to the fullest extent permitted by applicable law, the Authority, the State of Florida, the Authority Members, and all directors, managers, members, trustees, employees, attorneys, consultants, independent contractors, agents and representatives of each of them (all, collectively, the “Indemnified Parties”), from and against any and all claims, damages, losses, liabilities, penalties, fines, costs and expenses (including reasonable attorney’s fees and related expenses) (all, collectively, “Losses”) arising out of, resulting from or related to the performance or non-performance of any contract or work or any act or omission of the firm (including also the firm’s officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents and representatives), provided that such Losses are attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (including loss of use resulting therefrom), or to a breach of any written agreement or commitment by the firm, or to the negligence, recklessness or wrongful conduct or any violation of any applicable law by the firm (or any of its officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents and representatives), all regardless of whether or not such Claim(s) are caused in part by any of the Indemnified Parties. The Authority reserves the right, at its option, to participate in the defense of any suit, without relieving the firm of its indemnity obligations. The foregoing indemnification clause shall not be construed to negate, abridge, or reduce other rights or obligations of indemnity which otherwise exist in favor of any of the Indemnified Parties under any law, statute, rule, regulation, or ordinance or under any contract or at common law. The foregoing indemnity obligations shall not be limited by the amount of any insurance required to be obtained or maintained by a firm. Nothing herein or in any contract ultimately entered into by the Authority will be construed as a waiver of any immunity the Authority may have under the doctrine of sovereign immunity. If this clause is found to conflict in any way with Florida law, the clause will be considered modified to the minimum extent necessary to remedy the conflict and make the clause enforceable
  
- (8) **Independent Contractor.** A firm, in performance of any executed definitive agreement with the Authority, shall at all times act in the capacity of an independent contractor, and neither the firm nor any of its officers, directors, managers, members, employees, attorneys, consultants, independent contractors, agents or representatives shall be considered an officer, director, manager, member, employee, or agent of the Authority.

- (9) **Compliance with Laws.** Contractor shall comply with applicable Federal, State, and local laws and regulations and Florida State Fair Authority Regulations and Policies with respect to its participation in the RFP process. If Contractor receives an award as a result of the RFP, Contractor shall continue to comply with the foregoing laws, regulations, and policies. If Contractor fails to comply with the requirements of the proceeding sentences, the Authority in its sole discretion, may disqualify Contractor, or if Contractor has been awarded a contract pursuant to the RFP, the Authority, in its sole discretion may determine that Contractor is in default.
- (10) **Right to Terminate.** In the event any of the provisions of the Agreement are violated by the successful proposer, the Authority may serve written notice upon Contractor of its intention to terminate the contract. Such notice will state the reason(s) for the intention to terminate the Agreement. If the violation does not cease and satisfactory arrangements for correction are not made within ten (10) days after the notice is served upon the Contractor, the contract shall cease and terminate. The liability of the Contractor and/or his surety for any and all such violation(s) shall not be affected by any such termination.
- (11) **No Assignment.** Neither the selection of any Contractor following this RFP, any short-listing or ranking of any Contractor, nor any contract ultimately awarded, nor any right related to any of the foregoing, may be assigned, delegated or transferred by said firm without the prior written consent of the Authority.
- (12) **Addition/Deletion.** To the greatest extent permitted by applicable law, the Authority reserves the right to add or delete any item from this RFP or any resulting document or contract when deemed to be in the Authority’s best interests.
- (13) **Publicity.** The Contractor that is awarded the contract shall coordinate all publicity relating to Bid or contract with the Authority, and a firm shall not issue or publish (or cause to be issued or published) any press release or publicity statement, written or oral, without prior written consent of the Authority.
