Eligibility & Guidelines

- The **Hobbyist Adult & Professional Adult Divisions** are open to all Florida residents ages 18 and up. You cannot compete in both divisions.
- The **Hobbyist Youth Divisions** are open to Florida residents in grades 1 – 12, as of September 1, 2023.
- The **Saltwater Open Division** is open to all Florida residents ages 6 and up as of September 1, 2023.
- **All entered items must be on display for the entire duration of the Fair.**
- **Tank dimensions must be included in registration due to space restrictions.** There is no upper or lower limit on the size of the entered item, but due to space limitations, tanks over 55 gallons will need approval by Bill Shields. Entered items will be assigned space on a first-come, first-served basis. If space is unavailable for all entered items, the Fair will notify those affected.

Eligibility & Guidelines (continued)

- Exhibitors may enter as many tanks as they like, but each tank can only be entered in one (1) class.
- You are allowed to show fish that have been shown in prior years at the Florida State Fair.
- Each exhibitor will provide a tank complete with all accessories to include light, filter, and a drop cord with three-way plug. Only one electrical outlet will be provided for each tank. Electricity, water, and a table to place the tank on will be provided.
- The Fair will provide professional care of all entered items during the Fair, but assumes no responsibility, either actual or implied, for any mishaps or fish loss, which may occur. Fish will be fed once a day with standard flake food.
- No late entered items will be permitted. Claim Receipts will be issued at the time you set up your display.
- All entries will be displayed at the Fair whether they receive an award or not. In keeping with the Florida State Fair's family orientation, items of an offensive, controversial, or objectionable nature or subject matter will not be accepted.

Judging & Awards

The Fair ensures that the judges we employ are knowledgeable in the division in which they are judging and will be impartial. Judges reserve the right to reassign entries to a more appropriate division or class. Judging will be done using a scorecard to assist in keeping decisions as objective as possible. **The decision of the judge(s) is final.**

If, at the Judge's discretion, an entry does not merit a placing, the Judge shall give no award under any circumstance. This rule applies whether there is one or more exhibits in the Class. ***Final results and exhibit display will be revealed during Fair time.***
