

# 2025 Horticulture Display Guidelines for Plant Societies, Guilds & Organizations

updated 09/25/24

## Display Information:

- All displays should be educational and artistically designed.
- The display will be maintained by the society or organization at a high standard of quality for the duration of the fair. **A set-up premium of \$350.00 will be paid to each society.**
- **All societies or organizations will be required to do educational presentations for fair attendees each weekend. Plan for 2 – 30-minute presentations each weekend. We will need to know what you will be doing in mid-January so we can let Marketing know.**
- All displays will be inside the Florida Center building.
- The fair will not provide the mulch for the displays.
- All water must be retained within your booth. You may use pot trays.
- Societies, Guilds, and organizations are welcome to be at their display any time during the fair. This is a great way to share information and create public awareness.
- **The display location will be assigned after all applications are confirmed.**  
**The size of the display will be 8' wide x 10' deep. Please note the change in booth size and style. See**

**See New  
Display Specifications  
on Page 2.**

# 2025 Horticulture Presentation Application

All societies or organizations will be required to do educational presentations for fair attendees each weekend. Plan for 2 – 30-minute presentations each weekend. You will be assigned one-hour slots. This will allow for questions after your presentation. You can do the same presentation each time if that is easier.

**Presentation Setup:** We will have an 8-foot-long table covered in plastic with table skirting. We have a large overhead mirror so people can see what you are doing. **We do not have monitors for PowerPoint Presentations.**
